•••Front Cover Artist••• Trish Biddle...

has over 40 works published internationally, and is collected around the world. Born in Minneapolis, Minnesota, American artist Trish Biddle studied at the Dallas Institute of Art, before beginning her career as an illustrator and textile designer. Her process of drawing, painting and designing eventually melded onto canvases, creating romantic images and her unmistakable Art Deco figurative paintings. Her expertise in capturing nature and light creates richly colored, breath-taking canvases. With a well-defined style, broad, romantic strokes and vibrant color, Trish paints figurative, floral, fashion icons and children's art. She travels the world and enjoys translating her experiences into oil on canvas.

Showcasing her sense of design, Trish captures the Art Deco style of fashion, elegance, sophistication and the simplicity of the era. Tamara De Lempicka who defined Art Deco painting as we know it, Argentinean tango dancers and depression era dance marathons have all inspired Trish's vintage, figurative paintings. The faces are obscured purposely to allow the viewer to identify with the images of the graceful dancers their own romantic notions. Backgrounds are evidence of textile, ironwork and architectural designs extracted from her own designs and travels. Trish currently resides in Westlake Texas.

Trish Biddle paintings are in corporate and private collections around the world, and she is published by Canadian Art Prints, Vancouver, Canada. Her posters are available at most major retailers including Bed Bath & Beyond, Wal-mart, Target, Tuesday Morning, Michaels, TJ Maxx, and e-tailers such as art.com.
