Trish Biddle

"Reflections I"

Canadian Art Prints' (CAP) Trish Biddle has been unveiled as the official artist of the 2008 Kentucky Derby series, which will celebrate next year's 134<sup>th</sup> renewal of the Kentucky Derby and Kentucky Oaks. "We are thrilled to have one of our leading figurative artists be chosen to represent such a reputable and well-established organization," says CAP's Chief Creative Officer Niki Krieger. "We want to provide an international platform for Trish to showcase her design sense, composition and unique style."

Based in Dallas-Fort Worth, Texas, Biddle studied at the Dallas Institute of Art before beginning her career as an illus-
