What are the Odds

Table for Two

Trish Biddle was born in Minneapolis, Minnesota, and studied at the Dallas Institute of Art, before beginning her career as an illustrator and textile designer. Her process of drawing, painting and designing eventually melded onto canvases, creating romantic images and her unmistakable Art Deco figurative paintings.

Her expertise in capturing nature and light, results in a well-defined style, with broad romantic strokes and vibrant colour. Showcasing her sense of design, Trish captures the Art Deco style of fashion, elegance, sophistication and the simplicity of that era. Faces are obscured purposely to allow the viewer to identify with the images of the graceful dancers and their own romantic notions.

Trish currently resides in Westlake, Texas. Her paintings are in corporate and private collections around the world.
